Grand Hop at Sherwood.

To the Home Journal:

We ask you to give us a little space in your columns this week. On the night of the 14th there was a grand hop given by the good people of Sherwood, Everybody was invited, and nearly everybody attended. The nice, new storehouse recently erected by Mr. Holman Perry was lighted up immediately after the sun "had sought his fiery bed." The Home Journal has not been pub. The string band from Winehester, comhed exactly "on time" for several posed of Isham Robertson with the litweeks, nor had its usual amount of local the fiddle, Bill Stamps with the big fidtems. This is due to the fact that Mr. dle, and Trigger with his old banjo, Delia (who is so energetic in our behalf were there in all their glory. The dana this respect,) has been, and is now, eing begin about early candle lighting, offering from the results of a severe burt and did not stop but one time until the secived many years since. Indeed, his night had passed into the "wee sma" suffering is such that few men would hours." That pause was occasioned by not succumb to. W. J. SLATTER. the announcement that the festal board had been spread by no sparing hand at

the hotel kept by Mr. Hilleburt. So we at once took a recess long enough to relieve it of its burden, not that any of hi and honorable institution of learn-us felt like eating, but because we were publishes in this week's Home Jour- in sympathy with the table, for we have read about what ought to be done with this advertisement, mainly, is as to things which are "heavy laden." And what distinguished and competent per- 1 tell you the truth when I say we ons have said about the Mary Sharp, "gave it rest," We know Mr. Hilleand for us to say more in its praise bart has made a lifetime study of huwash new-fallen snow. For thirty 200 different appetites with food which man nature, because he satisfied about
